RE: Philosophy of Ministry

Dalton Gardens church of Christ
6439 North 4th St
Dalton Gardens, ID 83815

Dear Church:

In the course of our conversation the evening of January 17, the church leadership asked us to write and submit to them our Philosophy of Ministry. We have enclosed 1 color copy of our Philosophy, as well as 1 grayscale copy.

We have posted our résumés, Philosophy of Ministry and correspondence with you on the internet. We hope this will help you distribute this information more effectively. Of course, you are welcome to host any and all of these documents on your own website, or distribute them in whatever manner you find most appropriate. You can access this information at <http://www.pandaford.net/careers>, and we have also included these files on the enclosed CD. Enjoy!!

We welcome comments, questions and feedback. We would love to hear more from those whom we have already “met,” and we would love to get to know more of you!

Sincerely,

Patrick Ford & Allison Hubbard
